

WILLOW FORK DRAINAGE DISTRICT UPDATE - April 17, 2020

Park and Trail Guidelines During COVID-19

Willow Fork Drainage District is continuing its decision of March 12 to close park facilities and postpone events *until further notice*. Recognizing that spending as little as 20 minutes in a park is enough to improve well-being, WFDD is allowing visitors who practice recommended social distancing to step outside and enjoy nature on trails and in open green spaces.

**Click on image above for full size.*

To support CDC guidelines and county orders, the following measures continue at WFDD facilities:

- Central Green – Restroom is closed. Lawn area is open.
- Willow Fork Park – Pavilion, playground and restrooms are closed. Trails passing through the park and green spaces are open.
- Exploration Park – Closed
- Trails – Trails within WFDD boundaries are open.
