

WILLOW FORK DRAINAGE DISTRICT UPDATE - August 28, 2020

Stay Hurricane Ready!

While WFDD was spared the worst of Hurricane Laura, residents are encouraged to stay alert throughout the Atlantic hurricane season, which runs through Nov. 30. Having a family communication plan, collecting supplies, signing up for alerts and warnings, and knowing what to do and how to evacuate are important to keeping your family and property as safe as possible. [Read WFDD's latest newsletter for steps to prepare your property](#) or access [helpful links to emergency information](#) and the latest guidelines from local, regional and national resources.

Resident Needed to Fill Board Vacancy

WFDD is currently seeking applicants to fill a vacancy on its five-member board of directors. Directors serve four-year, staggered terms. When a vacancy occurs mid-term, district residents may apply for appointment to serve the remainder of the term (in this case until May 2022), at which time they can pursue election to continue in the position. The ideal candidate would be interested in public service, willing to learn about surface water drainage, and enthusiastic about parks, trails and activities that enrich our community. WFDD plans to vote on the appointment at its next regularly scheduled meeting Sept. 10, 2020. Applications are due by Sept. 8. To learn more on WFDD and its board and operations, visit our website's [About Us](#) page. To apply for the position, contact the district's law firm, ABHR, at [713-860-6426](tel:713-860-6426) or phopper@abhr.com.

If you find this information helpful, please forward to your neighbors.
