WILLOW FORK DRAINAGE DISTRICT UPDATE - June 2023

Did Your Home Flood in Harvey? August 28 Filing Deadline Nearing

Two months remain to file a claim for potential recovery if your home flooded during Hurricane Harvey. Only about half of qualified residents have filed a claim for this one-time opportunity to receive compensation. WFDD encourages residents to attend a town hall to learn more and seek counsel to file a claim before the end of July to allow time for the claim to be registered in federal claims court before August 28, 2023.

Upcoming town hall meetings are scheduled for June 22, July 19, and August 17, 2023, at 6:30 p.m. at The Golf Club at Cinco Ranch, 23030 Cinco Ranch Blvd Katy, TX 77450.

Representatives from Fort Bend County will share important information for anyone who flooded upstream of Barker Reservoir during Hurricane Harvey, including:

- Status of the Addicks and Barker upstream takings litigation
- How to file a claim
- What is being done to protect properties impacted by Harvey in the future

Litigation counsel will be on hand to cover topics and answer questions, and while not endorsed by WFDD but included here for information purposes only, answers to frequently asked questions surrounding the Harvey litigation and legal recourse can be found at <https://bapfe.com/>.
